

Stop delivering Earnest Money the old fashioned way!

Download the app. It's a snap!

*Convenient* - Save a trip to Apex Title

*Secure* - Safely deposit earnest money

*Simple* - Deposit with a few taps and camera clicks

## App User Process

- 1  Download ZOCCAM from the app store.   
- 2  Register with name & email address (license if applicable).
- 3  Verify device by entering PIN sent via SMS text, create an 8-digit numeric passcode.
- 4  Select **Capture** on the home screen, then select the type of funds to ZOCCAM. Select Escrow Agent recipient.\* Enter contract information & attach contract if needed.  
\* Geolocation services must be enabled on the device for security and best search experience.
- 5  Capture the front and back of check on a dark, flat surface that is well lit.
- 6  **Success!** Funds have been sent directly to Apex Title & Closing Services and email notifications are sent to all parties.
